Subject: Covid-19 notice

The Covid-19 board is composed of the Covid-19 appointed teachers and School employees, the school Health and Safety Manager, the Head Teacher, the General and Administrative Services Director, two parents.

The board members, who met on 8th February 2021, would like to:

1. kindly thank all the staff members who take care of safety in the twelve schools, all the administrative office for their efficient work, all the staff for raising awareness of the importance of respecting Covid-19 prevention rules. Everybody's correct behaviour has contributed to being at school in proximate learning throughout the first term;

2. **remind** everyone of the essential rules, namely:

- Students must observe **social distancing** and use the **protective face mask** properly **when they are outside waiting to enter the school premises, during break time and while they are leaving the school premises.**
- **Students and parents must measure the students' temperature before going to school.**
- **Hands must be sanitised whenever necessary.**
- **All the rooms and spaces must be sanitised whenever necessary.**
- **Parents must inform the School immediately when their children or any other family members are positive to Covid-19.**
- **Parents must inform the Administrative Office immediately of the Covid-19 test results.**
- **Parents must regularly check the electronic register for school notices.**
